## City of *Kagura* Music and Dance: Festivals and Traditional Performing Arts in Sammu

Kagura music and dance, which is dedicated to wishes for a bountiful harvest and universal peace, is carried on at such places as Kotohira Shrine and Suehiro Shrine. Other traditional festivals and performing arts that live on include the Oryuzunomai dance and the Shiizaki Sanbiki Shishimai dance at Shirahata Hachiman Shrine. Also popular is the Kujukurihama Shichifukujin tour, a pilgrimage around seven deities of good fortune in the city.
