

Follow the Garbage Disposal Rules in Sanbu Area.

Please be sure to sort the garbage before you take out them. Unsorted garbage is not applicable for collection.

And make sure to use the garbage bags specified by Sammu city and take them out to the garbage station by 8:30 AM on the collection Schedules below. You can buy the specified bags at the convenience stores and supermarkets and drug stores around. A burnable garbage station is located at a different place from other garbage station. Please check the location and refer to the rules below.

<Collection Schedules>
 Burnable Garbage : Every Wednesday and Saturday
 Recycle/Non-Burnable/Hazardous Garbage : 1st and 3rd Monday monthly

<The rules to sort garbage for collection>

1. Burnable Garbage

(Ex: Food waste / Papers / Plastic waste / Polystyrene foams / Leather items)

2. Recycle Garbage

Separate the five types of recycle garbage (①~⑤) into specified bags.

① Cans only for food / Glass Bottles only for food and cooking oil, medicine

- Remove the caps
- Make them empty and wash them inside with water.
- Put metal caps into the non-burnable garbage bags.
- Put plastic caps into the burnable garbage bags.

② Plastic Bottles

- Remove caps and labels.
- Make them empty and wash them inside with water.

③ Clothes

④ Books & Magazines

⑤ Newspapers

- We don't collect them (③~⑤), if it's wet.
- Keep them (③~⑤) dry.

3. Non-Burnable Garbage

Separate the three types of recycle garbage (①~③) into specified bags.

① Metal Garbage (Ex: Pans / Frames of umbrella / Small appliances / Cassette-style gas cylinders / Spray canisters)

- If you cannot hold it with a specified bag, it's oversized garbage. Please refer to "5.Oversized Garbage" below.
- Make cassette-style gas cylinders and spray canisters empty in the open air.

② Glasses

(Ex: Cups / Glass for cosmetics / Broken glasses / Mirrors)

③ Potteries

(Ex: Mugs, Rice bowls, Plates, Plant pots)

4. Hazardous Garbage

(Light bulbs / Florescent light bulbs / Batteries / Mercury thermometer / Knives / Razor Blades)

- Cover knives and needles with papers and note "danger" on it.
- Be careful not to break the light bulbs.

5. Oversized Garbage

"Oversized" means that you cannot hold it with a specified bag.

(Ex: Furnitures, Futons, Mattress, Blankets, Carpets, Bicycles)

When you request to collect the oversized garbage at the front of your house. It costs 200yen per one item.

When you bring it to Clean Center, it costs 100 yen per 10kg.
